ELARA
Sculpted Sunlit Villas

GRUPE NAYAN

SCULPTED SUNLIT VILLAS

A life shaped around the light.

Discover ELARA by Grupe Nayan. A distinctive villa expression, defined by flowing curves, warm tones and an open-air outlook.

ARCHITECTURAL VIEW / DUSK

01 / THE ARCHITECTURE

Soft lines.
A strong impression.

ARCHITECTURAL VIEW / DAYLIGHT

Sculpted form

Curved edges and a sweeping facade give ELARA its distinctive visual identity.

Warm expression

A palette of soft cream and warm accents comes together in the supplied architectural views.

Open-air outlook

Terrace and balcony elements bring an outdoor dimension to the villa expression.

See the project film and explore the full architectural views on the ELARA website. Contact the team to discuss current specifications and villa availability.

Your next chapter starts with a visit.

SUPPLIED LOCATION REFERENCE

The supplied location reference marks the site near ORR Exit #13 and shows the Greenfield Highway alignment.

Use the reference to begin your conversation with the ELARA team. Request the exact site directions and arrange a visit before planning your journey.

Take a closer look

Request the official price sheet for base pricing, applicable charges, payment milestones and terms.

Ask the team about current availability, plans and project specifications.
